What if it rains?

We basically will continue the shooting under the rain. The indoor atmosphere of Garden is also beautiful. We can take photos under the gates when the rain is not too heavy. You can use our free Japanese umbrella too. You don't need to worry about the costume cleaning.

If the rain is too heavy, you can postpone the shooting if our schedule is available on another date. We don't charge for postponing fee due to bad weather, but there will be 3,000yen charged to the Japanese Garden for canceling the reservation. *sample photos for rainy day shooting inside the Garden.

Japanese Garden

- Japanese Garden renting fee (5,000-7,000yen)
- We can only reserve the room from 2 months before the shooting day.
- We cannot guarantee which Garden we would reserve, due to its availability.
- The cancelation fee for Garden is 3,000yen.
- The Garden renting fee and parking fee will be due after the shooting.

What to bring?

- A white t-shirt for Groom.
- No make-up/no hair wax for Bride.

Payment method

Your reservation will only be confirmed after we receive your payment by overseas remittance. We apologize that we do not accept credit card/paypal.

The package fee will be the deposit. We will give you our bank information. The remaining fee will be due by cash after the shooting.

If you wish to bring your family/friends to the shooting

- Sorry, the studio will not have enough space for other people. If you want your parents, family, or friends to watch the shooting, they can come to the location directly.
- Our transportation car will only have space for Bride and Groom.
